

Increase expenditure in your venue.

Founded in Australia with over 5 years of experience, Masseur specialises in the design and distribution of massage products for a diverse range of industries.

Studies in gaming venues throughout the world have proven that offering massage to members & guests increases the overall time they spend in the venue & maximises customer satisfaction and gaming expenditure.

Masseur's coin-operated Luxury Recliners offer a simple way to capitalise on this research and increase the length of time and money spent by each guest in your venue at no cost or effort to you.

Create a point of difference.

Testimonials

"Masseur has given us the opportunity to offer our customers a relaxing therapeutic massage service. Customers often fulfil their visitation by having either a 5 or 10 minute massage which enhances their overall experience at our venue".

Steve Muscat, Shoppingtown Hotel

"The Massage Chair at our centre is fantastic. Our clients also love using it, some are on it for up to 30 minutes. You can not beat the value of \$2 for 5 minutes. Also, the service we receive from Masseur is second to none, exceptional!".
